of the

CHIPPEWA OTTAWA RESOURCE AUTHORITY (CORA)

**AMENDMENT to the Establishment of a Daily Catch Limit for Lake Trout in MM-1,2,3
(northern Lake Michigan) and NO Retention of Lake Trout**

****EMERGENCY ORDER****

January 24, 2017

By motion made and adopted at a meeting of the Great Lakes Resources Committee of the Chippewa Ottawa Resource Authority on January 26, 2017, action was taken for an amendment to the January 24, 2017 Administrative Order. The amendment is to make it an Emergency Order and to have an expiration date which is below:

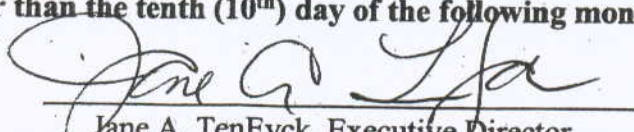

EFFECTIVE JANUARY 24, 2017 THROUGH APRIL 30, 2018:

Target fishing for lake trout is prohibited for all tribal fishers in Lake Trout Management Unit MM-1,2,3. Target fishing shall be defined according to the daily possession limits described below:

Possession in excess of 600 round pounds of lake trout per vessel per day is prohibited for tribal gill net fishers in MM-1,2,3 and in WFM-04, possession in excess of 400 round pounds per vessel per day is prohibited for gill net fishers from Bay Mills, Sault Tribe and Little River Band.

All tribal commercial trap net fishers are prohibited from retaining lake trout in all areas of MM-1,2,3. All lake trout caught by such fishers shall be returned to the water whether dead or alive.

Catch harvest reports must be submitted bi-weekly for all tribal fishers who engage in fishing in MM-1,2,3. All fish harvested in that management unit between the first (1st) and fifteenth (15th) days of the month shall be reported no later than the twentieth (20th) day of that month, and all fish harvested in that management unit between the sixteenth (16th) and last day of the month shall be reported no later than the tenth (10th) day of the following month.

INTERIM REGULATION 2016-1

The following amendment is made to the Commercial, Subsistence and Recreational Fishing Regulations for the 1836 Treaty Ceded Waters of Lakes Superior, Huron, and Michigan:

VI. Intertribal Zones

- (d) Northern Lake Huron Inter-Tribal Zone
- (2) Regulations: Subject to the provisions of these Regulations, the following regulations shall apply in this zone:
 - (iv) For the period beginning May 1, 2016 and ending April 30, 2017, the following restrictions on lake trout harvest apply:
 - (A) Conversion Trap Net Operations. Retention of lake trout caught in trap nets is prohibited. All lake trout caught by such fishers shall be returned to the water whether dead or alive.
 - (B) Non-Conversion Trap Net Operations. Retention of lake trout caught in trap nets used by non-conversion trap net operations in excess of one hundred (100) pounds round weight per vessel per day is prohibited. All lake trout caught by such fishers in excess of this amount shall be returned to the water whether dead or alive.
 - (C) Gill Net Operations. Retention or possession of lake trout in excess of six hundred (600) pounds round weight per vessel per day is prohibited. All lake trout in excess of this amount shall be returned to the water whether dead or alive.

CERTIFICATION

I, the undersigned, as Recording Secretary of the Great Lakes Resources Committee of the Chippewa Ottawa Resource Authority, do hereby certify that the above Interim Regulation was adopted and approved during a duly noticed, called and convened conference call meeting on the 29th day of March, 2016, with a vote of 10 in favor, 0 opposed, 0 abstaining and 0 absent.
